Conducting School Threat Assessments: 4 Tips From A Psychologist

In August, the U.S. Department of Homeland Security issued a public awareness bulletin about mitigating the threat of school violence because, as the report noted, DHS believed “the threat of targeted violence will remain elevated as more children return to school full-time.”

A Preparedness Guide for Firefighters and Their Families

The NWCG's Preparedness Guide provides information to help prepare wildland firefighting personnel and their families for the realities of a career in wildland firefighting. Together, these documents are intended to support transparency around the risks and rewards related to wildland firefighting.
